25X1 [Redacted]

25X1 Dear [Redacted]

Thank you for having replied to my query about your slide presentation of your trip [Redacted] I am sorry it took so long to get around to this reply, but I think the year's plans are well enough in hand to say something fairly definite. 25X1

25X1 First of all, let me say that I think it would be good to have you visit the campus, not only to present your illustrated talk [Redacted] but also to talk about government service as a career for women.

I would like to leave you a good deal of freedom in picking the time you want to be here. As far as I am concerned, any time after the first week in November is O.K. For your information, we go on Christmas vacation on December 20th and return on January 13th. Spring vacation runs from February 28th to March 10th, and second semester classes end on April 25th. Any time within those limits that you would like to come to see us would probably be O.K. We would naturally pay travel expenses. 25X1

I wonder if you would be kind enough to send me a copy of the manuscript regarding expeditions to [Redacted] and your study of comparative religion. I promise to take good care of them and will return them to you when I am through.

I do hope this works out, because I think it would be pleasant and fruitful for all concerned.

Sincerely yours,

*David F. Anthony*
